

Two-factor Authentication (2FA) Registration Guideline

In order to enhance the cybersecurity level of online trading platform, you can now experience a more reliable, convenient and secure electronic trading services by using “CFSG Authenticator” for identification. After the registration, you may use fingerprint or password for verification.

1. Download the App

Download the App “CFSG Authenticator” from iOS “App Store” or Android “Play Store”.

2. Read and Accept the Terms and Conditions

Press “Register”, read “Terms and Conditions” and tick the box “I have read and accept the Terms and conditions”, then press “Next”.

The image illustrates the registration process for the CFSG Authenticator app. On the left, the app icon is shown with the text "時富金融 CFSG" and "時富認證". Below the icon is a "Register" button and a "Terms and Conditions" link. The right side shows two screenshots of the "Terms and Conditions" screen. The first screenshot shows the terms and conditions text with a red arrow pointing to the "I have read and accept the Terms and conditions" checkbox, which is currently unchecked. The second screenshot shows the same text with the checkbox checked, and a red arrow pointing to the "Next" button.

Terms and Conditions
