此表格必須與申請委託賬戶之授權書同時繳交方為有效。

1. Investment Objectives 投資目標*

- Growth/Aggressive** 增長／進取
Maximum growth of assets with a tolerance for a correspondingly higher degree of volatility. Capital appreciation is the major objective.
最高資產增長，可承受相對較高之波幅。主要目標為資產增值。
- Balance/Moderate** 平衡／穩健
An investment mix primarily seeking moderate growth with a tolerance for some fluctuation in value along with some opportunity to maximize returns with the likelihood of a higher fluctuation in asset value.
主要尋求穩健增長之投資組合，可承受若干價值波動及達致最高回報之若干機會，資產值波動或會較高。
- Conservative** 保守
Moderate growth of assets and income with lower than average risk and fluctuation in value. Stability of principal and cash flow is the major objective.
穩健資產及收入增長，風險及價值波動性較平均為低。主要目標為保本及現金流量穩定。

2. Risk Tolerances 風險承受程度*

- High** 高
Note: The degree/level of risk refers to the risk profile of your portfolio taken as a whole. Individual investments within the portfolio may, on occasion, carry a higher or lower level of risk provided the overall risk profile is maintained.
- Medium** 中
附註：風險程度／水平指閣下投資組合之整體風險剖析。於若干情況下，假設整體風險性質得以維持，投資組合內之個別投資可能具有較高或較低風險水平。
- Low** 低
